

The Kovler Diabetes Center relies on the vital support that comes from the diabetes community... a community with which you can connect through the various volunteer channels at Kovler. These critical volunteer opportunities help Kovler support and educate individuals, families and communities facing the challenges of diabetes and live their best lives.

Here are some ways you can get involved:

KovlerKrew

KovlerKrew provides opportunities for you and your family to work alongside Kovler specialists and channel your interest in improving treatment and knowledge of diabetes. Lend your time and your passion through public awareness activities, educational events and advocacy activities in the greater Chicago area.

Kovler Leadership Board

The Kovler Diabetes Center Leadership Board promotes the vision and mission of the Kovler Diabetes Center and supports the needs of the physicians who provide clinical care, research, education and outreach. We invite you to learn more about this incredible team.

InTransit Program and Ambassadors

The transition into diabetes self-management can be a difficult one for teens, and the team at the Kovler Diabetes Center is prepared to address the changing physical development, emotional issues and varied levels of maturity that children experience. **InTransit** is a national model for helping teens and their parents understand how to make this transition smoothly. Complementing our **InTransit** teen program, we have an advisory panel of teens and ambassadors for community-based efforts. Contact us on how to become an **InTransit** Ambassador.

To get involved, please contact:

Peggy Hasenauer, Executive Director
E-mail: peggy.hasenauer@uchospitals.edu
Phone: 773.834.4789

There are other ways to get involved at the Kovler Diabetes Center that truly make a difference, including:

- **In-Kind Services** – Kovler could always benefit from in-kind services to escalate our presence in the Chicago community and around the globe. If you have a company that donates services, let us know!
- **Donations** – From raffle items to Jeans Days at your company to Bake Sales, every dollar makes a difference to help fund our research and clinical efforts.
- **Introductions** – If you work for a charitable corporation or are involved with a foundation, Kovler is always looking to expand our presence in the corporate community and to help spread the word about the vital work we are doing.
